

# ENGL 014: Intro to Humanities I

Study key foundational texts in the Western classical tradition and devote critical attention to the seminal works in other fields. Learn about the fundamental goals and objectives of the global humanities, which later artists and men and women of letters (during the Renaissance period) imitated and applied, the traditional classical forms, from the Greeks and Romans, to illustrate what moral values and collective ideals should define the pursuit of knowledge and human experience.

**Credits:** 3

**Program:**

## English
