

EDUC 324: Teaching Arts, Health & PE in Urban Elem Schools

Focuses on the aims, scope, and integration of methods for teaching the Arts, Health and Physical Education across the curriculum. The course utilizes a constructivist approach to teaching and learning that enables candidates to devise, select, and implement effective instructional strategies for developing diverse learner's knowledge and skills in the arts, health education and physical education. A field experience component is included.

Credits: 4
