

# MUSB 154: Composition IV

Study the evolution of contemporary art music in the twentieth century. Examine compositional techniques applied to various works from major composers. Gain an understanding of modern compositional writing for art music and various musical styles. Explore compositional ideas for tonal and atonal music. Compose music for a range of ensembles and media under individual weekly guidance from a faculty mentor.

**Credits:** 3

**Prerequisites/Permissions:**

Continuation of MUSB 153.
